

REMINDER

It is important that you register with King County Procurement and Contract Services after downloading documents from the RFPs, RFQs & ITBs website. Failure to notify us will result in you not being notified of any addenda, which may result in rejection of your bid/proposal as non-responsive.

To register and download files, refer to the bottom of this document.

KING COUNTY REQUEST FOR PROPOSALS ADVERTISEMENT

King County is requesting Proposal Submittals from firms qualified and interested in providing engineering services on a work order basis for bridge seismic retrofits, bridge structural design, and other related services.

The Request for Proposals, all addenda and current document holder's list, are available on the Internet at www.metrokc.gov/finance/procurement/rfp_rfqiitb/default.asp (click the "New" tab then click the "consultants" tab). The County will no longer mail, ship or fax RFPs and addenda.

Interested firms *must* register with the County at time of download and ensure a valid contact email address is given. Notification of addenda will be sent to the registered email address. Failure to register will result in the proposer not being notified of any addenda, which may result in rejection of the proposal as non-responsive.

The County plans to issue one (1) contract with a maximum dollar value of \$500,000. The contract will have an initial period of performance of one (1) year. The County reserves the right to amend the contract duration in one (1) year increments up to a maximum of three (3) years, if funds remain.

Contract Title: **Work Order Engineering for Structural/Bridge Design**

Number: **E53030E**

Proposals due: **September 8, 2005**

Time: **5:00 p.m.**

Any firm failing to submit information in accordance with the procedures set forth in the Request for Proposal may not be considered responsive and may therefore be subject to disqualification by King County.

SUMMARY OF WORK: The selected consultant will provide engineering services on a work order basis for various transportation projects, including conceptual, preliminary, and final designs for bridge seismic retrofits; structural designs for new small bridges and retaining walls; structural designs for repair to and rehabilitation of existing bridges; determinations of bridge load ratings; and related feasibility and environmental studies.

SUBCONSULTANT OPPORTUNITIES: The following identifies the types of subconsulting opportunities that may be available on this Contract and are provided only for informational purposes:

Geotechnical Engineering, Traffic Control Planning, Temporary Erosion Control, Landscape Architecture and Irrigation Design, Public Involvement, Subsurface Utility Engineering, Historic Preservation Studies, Permitting, Bridge Load Rating, Land Surveying, Computer Aided Drafting (CAD)

CONTRACTING OPPORTUNITIES PILOT PROGRAM: The King County Contracting Opportunities Program is a public contracting assistance program that is being implemented on a one year pilot basis. The purpose of the Program is to maximize the participation of Small Economically Disadvantaged Businesses (SEDBs) through the use of voluntary participation goals and awarding proposal evaluation points as an incentive factor in the award of King County contracts for Architectural and Engineering (A&E) and Professional services. The SEDB goal for this Project is:

SEDB Goal

2 Firms

This contract may also be federally funded in part and subject to certain federally mandated contract provisions. The DBE participation goal for this contract is:

DBE Goal

None

Refer to the Non-discrimination and Affirmative Action Section of the Request for Proposals for full discussion of the application of the non-discrimination and affirmative action provisions to subconsulting opportunities and the other non-discrimination and affirmative action requirements with which the Consultant shall comply.

QUESTIONS: Questions concerning this solicitation should be directed to **Gib Myers, Contracts Specialist** at 206-684-2024, TTY Relay: 711. The Proposer may be requested to submit the question in writing. No verbal answers by County personnel will be binding on the County.

This information is available in alternate formats for individuals with disabilities upon advance request by calling 206-684-1327, TTY Relay: 711.
